

IFUW Independent Members as of May 2010

IFUW Independent Membership is open to all women graduates who meet IFUW's eligibility criteria, regardless of place of residence. Those living in countries where there is an IFUW national federation or association are strongly encouraged to join that group to benefit from national and local contacts. Following are the IFUW International Members as of May 2010, together with their countries of residence and nationalities in brackets, if different.
