- Contributing to the UWE strategic and work plan

Apart from that, it is up to the UWE-Executive to agree about a division of tasks between them.

PROFILE:

The ideal next UWE-Treasurer should have collected some experience in working within her national federation/association (NFA) or a similar organization.

Sure - it will not harm if a Treasurer is a professional economist/accountant - but a lot of enthusiasm and those so called "soft-skills" are as important as ever to keep UWE a success.

She likes to visit foreign NFA's from time to time if they have special celebrations etc. moreover, is ready for working in a European team.

Preferably, she does not have an official function within her own NFA to avoid conflict of interest.
