6. **Matters arising from the minutes** – Regarding Item 11 (Financial Matters): Great Britain prefers to use in the future the word "verifying" in stead of "checking" of the financial papers and to have an "Examiner" in stead of an "Auditor". The President suggests this item to be part of the upcoming review of the constitution.

7. **Activity Report by the President** – the President explains that she intends

- to set up a workingplan for the future
- to visit as many NFA's as possible within her term of three years.

France would have preferred a longer report by the President. Great Britain tells not to be too demanding on the president and suggests she finds assistance. The president thanks IFUW for providing the meeting venues and Annemaria Vere for doing the website.

8. **Activity report by the VP on the Council of Europe (CoE)**: see attachment to the agenda (e-mail of UWE President of July 14<sup>th</sup> 2007 to Delegates); in the summary of her report the VP stresses that NFAs should get inspiration and support from the resolutions and the work of the Council of Europe to enrich their own projects..

Besides, the VP is calling for NFAs to lobby their governments to ratify the recent EUROPEAN CONVENTION on the Traffic of Human Beings that needs **ten (10) ratifications** to become operational. She also calls for NFAs to support the Campaign of the Council of Europe for the year 2007 "Parliament united to combat violence against women included domestic violence" The VP says that in every country there is a parliament member who is a focal point; NFAs should contact this MP and lobby him/her.

The report is adopted by the Assembly and the VP is thanked by the President for her active participation in the work of the CoE.

In connection with the report Ireland would like to have a summary of 4 or 5 non-ratified conventions so that all NFA's may try to get them ratified by their national governments. Gabrielle Suff (GB) will distribute a summary.

**9. Activity report by VP on European Womens'Lobby (EWL):**see attachment to the agenda (e-mail of UWE-President of July 14<sup>th</sup> to delegates).

**10. Report by the Treasurer** – included in the papers and as attachment to the agenda (e-mail of UWE-President of July 14<sup>th</sup> to Delegates; printed copies at the GA). The Treasurer brings to the attention of the GA that Estonia neither has paid nor responds to e-mails. The Treasurer will go on with her efforts to get contact with Estonia. The President thanks the Treasurer for her work. .

**11. Report by the Auditors** – The accounts have been reviewed by Arielle Wagenknecht (CH) and Clodagh Bowen (Ireland). Since Clodagh Bowen is not present the Treasurer reads her statement. Arielle Wagenknecht presents her report. Both agree with the records,. The Treasurer is thanked for her good work and approval of the accounts proposed.

**12. Approval of the Accounts** – The UWE-Accounts 2006 are unanimously approved by the GA..

**13. New Dues and Subsidy-Structure of UWE** – The proposal is as follows:

1. Based on the number of members of each national affiliate the annual UWE membership-due for full members of UWE shall be
  - 500 Euro if the affiliate has more than 1.000 paying members,
  - 350 Euro if the affiliate has 300 up to 1.000 paying members,
  - 250 Euro if the affiliate has less than 300 paying members.
2. The annual UWE membership-dues for individual/associated members of UWE shall be 30 Euro.
- 3.. UWE continues to offer a subsidy to eastern and central european affiliates to enable them to participate at the annual UWE - General Assembly. The subsidy is covered by the Reserve for Seminars and limited to 500 Euro for each delegation at a General Assembly.

The proposal is adopted by the General Assembly 2007 with 7 approvals, 3 against, 3 abstentions and comes into force from 2008 on; however in the process of reviewing the constitution and by-laws the relation to the minimum and maximum fee should be reconsidered.

**14. Membership-issues** – see Item 10: Estonia.

**15. Discussion about the necessity to review the constitution/bylaws in 2008** –

The President mentions some items that would need reviewing : the name of the organisation, constitutional seat, official language, currency in which dues have to be paid etc.

The working party consisting of Helen Dunsmore, Renée Gerard, Anne Holden Ronning, Gerda Leushuis, Maya Nyagolova, Gabrielle Suff already did much preliminary work; the working party is extended by Clare McCutcheon (Ireland) and Anne Nègre (France).

When reviewing the constitution, the aim will be to align it as much as possible with the constitution/bylaws of the IFUW

The president stresses that a lawyer specialised in European law will have to be consulted and that a notary will have to be hired to make the official record.

The proposal is passed with 13 votes

16. **Programme 2007 – 2008 by the President** - The president emphasizes that under “Activity Reports” activities will be published on the UWE website.

Ireland stresses again the importance of publishing a summary of 4 or 5 non ratified conventions. The Netherlands draws attention to the loss of members by the different NFA’S and suggests starting a project of “getting more members”. Norway suggests to include the latter in a strategic plan.

17. **Budget 2007 – 2008** -The budget is approved with 12 approvals and 1 abstention with the ammendment that the not used translation-budget 2007 of Euro 800,-- will be added to the budget of 2008.

18. **Election of two members to check the accounts 2007** - Arielle Wagenknecht And Clodagh Bowen are appointed again as examiners.

19. **Uwe colloqium & general assembly 2008** –The president states that already a lot of preliminary work has been done to prepare next years’ meetings. She explains that after her appeal in the newsletter of last April only Rumania and Turkish Cyprus offered to take on the organisation. After the president contacted these NFA’s several times it turned out that only Turkish Cyprus has the capacity and possibility to realise the plans. A pre-concept of the programme recently was discussed. The president emphasizes she has a lot of confidence in it; moreover it would be a big moral support for the position of graduate women in Turkish Cyprus if UWE were to decide to have its General Assembly of 2008 in their country.. The dates will be september 17<sup>th</sup> untill september 23<sup>th</sup> 2008 with the GA on the Saturday. The central theme is: “Women’s role in creating peace”.

Ireland, France and Germany express objections against the location: arguments like a “young member, unsafe, politically unwise ” etc. are stated. Great Britain stresses: “we should go to Turkish Cyprus to bring a message of peace and to show we are not afraid”.

France suggests postponing the decision. Slovenia and Ireland offer to organise next years’ Colloqium and GA, however Ireland withdraws afterwards.

The President proposes that NFA’s that are prepared to organise the 2008 meeting have their plan ready by november 1<sup>st</sup>, after which a written vote will be taken about the item. The proposal is accepted by acclamation.

20. **Friendship meetings** – Austria (85<sup>th</sup> birthday) 19<sup>th</sup> – 21<sup>st</sup> of October 2007: Ceremonial Act & Friendship meeting;
